OVERVIEW

***32' SeaVee 320Z 2017 Tender/Fisherman w/twin 400hp Mercury Verados included in sale of vessel* MOTIVATED SELLER!!**

This custom built, single owner 2019 Horizon RP110 is a must-see. Wild Duck boasts sleek exterior lines that look incredible from any angle, while maintaining plenty of interior volume and spacious entertaining throughout the boat.

Stepping on board Wild Duck, you are greeted by a comfortable aft deck equipped with a U-shaped settee and a full wet bar. Just through the curved salon door, a large salon with seating throughout, a walkaround bar, and a custom-designed wine cabinet on the forward wall is an impressive introduction to the interior of Wild Duck. Further forward, you find a fully equipped galley on the port side, and a day head and guest companionway access on the starboard side walkaround. A country kitchen style dining is forward with access to a private forward VIP.

Downstairs, the full beam master with an aft his & her head and large windows is an incredible stateroom. Additionally, in the companionway are two ensuite staterooms with twin berths that slide together to make one berth.

Upstairs, the raised pilothouse is a full helm station with great visibility and state-of-the-art electronics. From the pilothouse steps lead up to the flybridge, where a second full helm, large settees, comfortable barstools, and an extra-large walkaround bar are found. Further aft, Wild Duck was built with a 2,500lb hydraulic davit to accommodate a tender or a set of jet skis.

The crews quarters of Wild Duck accommodates 5 crew with a full mess area. Large storage lockers in this area also allow for plenty of dive equipment or water toys. In the engine room, Wild Duck is powered by CAT C-32A 1,900hp engines and 55kW Kohler generators. Wild Duck is outfitted with 55hp bow and stern thrusters and zero-speed ABT Hydraulic fin stabilizers.

AFT DECK

- Aft deck bar and sink
- Fusion speakers (4)

SALON

- Sofa chairs
- U-Line handless refrigerator
- Raritan icemaker
- Subzero wine cooler
- 55" Samsung TV
- Yamaha AV receiver, speaker, subwoofer
- Samsung Blu-Ray disc player
- Apple TV media player
- Apple iPhone Lighting Dock

DINING

- Seats 8 -10 guests
