Main Description

Delve into the exclusive world of luxurious relaxation with the 2020 80' Horizon FD80 cruising yacht. ONE MORE TIME combines innovation and functionality with a touch of elegance. The exterior sports a stunning white hull and superstructure and is embellished with sleek, modern lines, reflecting the yacht's contemporary design. The Twin MAN V8 1200 engines provide a comfortable cruising speed of 12 knots while it's state-of-the-art stabilizers ensure smooth sailing.

The interior showcases tasteful and exquisite woodwork combined with wide windows that envelop the interior with a soothing, natural illumination, rendering each room a tranquil sanctuary. The main salon provides an open and spacious feel while the convertible dining area allows for various configurations, adapting to different occasions and preferences.

Guest accommodations include four cabins that can comfortably sleep up to eight guests. The master suite, located on the main deck, features amenities such as walk-in wardrobes, en-suite bathroom, and stunning views from large windows. This suite is a haven for those who crave solitude in style. Furthermore, the crew quarters ensure professional service throughout your voyage.

Ample exterior spaces is also offered onboard, proving ONE MORE TIME was built for outdoor enthusiasts. The aft deck has a dining area, allowing guests to enjoy their meals while appreciating the panoramic beauty of their surroundings. The yacht's boat deck features a bar, barbecue and newly added 4-person jacuzzi while the bow includes additional lounge seating to soak up the rays or enjoy the sunset.

The yacht's stern platform reveals a fully equipped beach club, highlighting the seamless integration of fun and luxury. A hydraulic swim platform allows easy access to the water for guests who enjoy water-based activities such as snorkeling or diving.

For those who appreciate the art of navigation, the helm station on the flybridge is equipped with state-of-the-art navigation equipment. Its design encourages open communication between the helmsman and guests, fostering a sense of camaraderie and shared adventure.

It is no wonder that the Horizon FD80 has been celebrated by the global yachting community. Its award-winning design, superior build quality, and incredible attention to detail offer an unparalleled boating experience. Whether you plan for an oceanic adventure or a coastal cruise, this exceptional piece of maritime engineering will facilitate a uniquely extraordinary journey.

Highlights

MAN engine service completed 12/2023 by MAN authorized technician with certification
ABT Zero Speed Stabilizers
ABT hydraulic bow/stern thrusters
Steelhead davit ES1500
Headhunter sanitary system
Sea Recovery watermaker 700 gal/day
Reverso fuel polishing system

Specifications

White gel coat finish
One-piece hull cored lamination w/deep skeg & longitudinal girders
Hull, deck & superstructure built w/ 3D
VARTM infusion for improved strength & less weight
High-density foam cored hull bottom
High density foam cored hull sides, decks & superstructure
Stringers w/ high density foam coring
Interior structural components all properly bonded to hull
Strong collision bulkhead for extra safety
International brand anti-fouling bottom paint w/antiosmosis treatment
PropSpeed/PropGold metal paint for underwater appendages
Tunnels for reduced draft
High Performance Piercing Bow (HPPB)

Propulsion and Steering

Twin MAN V8 1200hp diesel engines w/ ZF reduction gearboxes
MAN engine service completed 12/2023 by MAN authorized technician with certification
Engine mounts on S/S engine bed bonded to FRP hull girder
Remote control (w/ throttles, gears & thrusters) with plug on aft deck; extra plug at helm
Bosch Rexroth engine controls
S/S Shafts Aqualoy 22HS
High performance S class 5 blade propellers
Teleflex Seastar power steering system
Underwater exhaust system for engines w/ bypass mufflers
Main bronze strut w/ backing plate
S/S rudders w/ zinc plates
Shaft & rudder packing glands w/ Tides Marine seals
ABT Zero Speed Stabilizer (300/9X)
ABT hydraulic bow and stern thrusters, 38hp each
Hydrotab trim tabs w/ full automated 4DHC NMEA control
Delta T engine room ventilation system
Heavy-duty insulated engine room door
S/S grab rail on each side of engine
Engine room LED ceiling lights
Swan air compressor
Pre-plumb and pre-wire for dive compressor
ER strainer plumbing with cross over line and fresh water flush

Mechanical

2,700 Gallon (total capacity) fuel tanks w/sight and electric gauges
Dual Racor 75/1000 MA fuel filters/water separator, each engine
(2) Electric fuel transfer pumps
Reverso FPS210 fuel polishing system
Oil change pump systems for engines, gears, & generators
(2) Racor 500 MA Fuel filters
400 Gallon FRP water tank
Marine Grade lines for fresh water system
(2) 20 gallon water heaters
Sea Recovery water maker, 700 gal/day
High Volume AC Fresh water pressure pump & back up DC pump
Fresh water charcoal filters plumbed into fresh water line: fresh water pump, shore water inlet, galley
Chilled water Marine Air Dometic VARC Chiller & STIIC A/C system
Backup A/C sea water cooling pump (ship loose)
Hot water circulation pump
Tecma Silence Plus toilet system
200 gallon holding tank w/Y-valve & deck fitting for dockside pump out
Sump pumps system for grey water
Electric level indicators for holding tank
Headhunter sanitary system
(5) Electric Rule bilge pump
(2) Manual bilge pumps in ER & forward staterooms
High water level bilge pump
Bilge exhaust ventilation fans

Electrical

LED lighting system throughout interior & exterior
(2) Onan Generators 29kW (60Hz) with sound shield and
Port 413 / Strb 661 hours as of 12/2023
Maretron monitoring & control system
Octoplex multi-plexing power distribution system
(2) Glendinning 100Amp shore power cable masters,
each w/75' power cable
(2) Shorepower Acme ISO boost transformers
(4) Lifeline 255 Ah start batteries for engines/
generators w/ battery chargers
(4) Lifeline 255 Ah AGM batteries for ships DC24V
power w/ combined inverter/chargers
GFI protection for all AC outlets in exterior,
heads, galley, and engine room
Electrolysis bonding system
Cathodic protection with zinc anodes for shafts, struts
(6) Underwater lights

Electronics

TV antenna on top of radar arch
(5) Panasonic PBX wireless telephones
Exterior connector for shore phone and cable TV
SAT TV (KVH TracVision HD7) + (1) KVH
TracPhone V7-IP Empty Dome
SAT phone pre-wire only
Cellular router system w/ Wifi onboard

Communication & Navigation Equipment

(4) GPSMAP 8617 MED 17" Multifunction displays (1 dedicated to Maretron)
Garmin GMR 1226 72" 12kW 72nm open array radar system + GMR Phantom 4 48" solid state open
array radar & pedestal
MBB300C for inputting Maretron info into GARMIN display
Garmin GPS 19 NMEA 2000

Audio Visual Equipment

TV antenna on top of radar arch
(5) Panasonic PBX wireless telephones
Exterior connector for shore phone and cable TV
SAT TV (KVH TracVision HD7) + (1) KVH
TracPhone V7-IP Empty Dome
SAT phone pre-wire only
Cellular router system w/ Wi-fi onboard

Galley and Laundry

Sub Zero full height refrigerator w/freezer drawers
Pantry w/ Sub Zero freezer drawers underneath
Miele oven & cook top
Bosch microwave & range hood
Miele dishwasher
Blanco double sink w/ garbage disposal
Kitchenaid trash compactor
Hi-Lo privacy screen between galley & salon
Hidden doors to enclose galley for privacy

Accommodations

Salon:

S/S folding & sliding salon entrance door, self-locking, with additional glass door
Full-height windows in main salon aft
Electric single-treatment curtains
L-shaped sofa w/coffee table & stools
Port side cabinet + folding table & chairs
55" Samsung LED TV, fold down from ceiling
Bose sound bar 700 home theatre system
Blu-ray player
Apple TV
Breakfast bar design w/ 3 stools & under-counter glass storage
Wine cooler
Hinged opening doors to port & stbd

Skylounge:

Upholstered sofa and ottomans
Hi/Lo card table
Dayhead
Samsung 49" Hi/Lo TV
(2) STIDD helm chairs
Custom designed helm w/ full set of engine gauges: Monitoring system for important equipment
Fuel & water gauges
Ritchie Supersport magnetic compass
Surveillance camera system (PTZ cameras for aft deck & engine room)
Bilge pump panel
Navigational lights

Master Stateroom:

On-deck King bed
Walk-in closet + additional storage
