Vessel Overview

ADAGIO, the 115' Horizon Custom Collection, is a fully customized yacht that focuses on minimalism and functionality. Having only one owner and professional crew since delivery, ADAGIO is in unbelievable condition.

Entering the salon from the aft deck, you are greeted with a beautiful Listone Giordano oak that elongates and calms the space. Parallel couches each with a panel-ready drop down TV above makes the space perfect for entertaining large groups or relaxing family movie nights. Separating the salon from the 12-person formal dining is an island with a waterfall countertop, encasing a wine cooler, ice maker, and refrigerator. Moving forward into the on-deck master, is a king-sized berth, and an oak bulkhead forward mimicking the salon, hiding 2 panel-ready doors for the head and walk-in closet.

Down below, the relaxed styling is carried through 4 ensuite staterooms and a play room for the kids, with the ability to sleep 12 guests. This includes 2 twin rooms with a sliding beds and 2 pullman bunks.

Crew forward allows guest service to be done without disturbing the upstairs entertaining. Up the crew stairs is the galley, one of commercial quality with a walk-in pantry. Aft and up stairs is the raised pilothouse, a full helm station and a settee give the captain and crew ample space for long journeys.

The full helm station with open flybridge has broad versatility, offering formal dining, lounging, and cocktails at the wet bar. Lastly, the bow has built in slots to insert a projector screen, allowing you to view from the settees or the angled sun pads.

In the engine room, ADAGIO is powered by Twin CAT C32A 1600hp engines, allowing her to cruise at 14kts. An extra engineer's cabin is found at the entrance of the engine room, allowing for a crew of 6. The current playroom can be converted to a Captain's cabin allowing for a total of 7 crew.

ADAGIO has been under meticulous care and is a must see.
