MAIN DESCRIPTION

Please call for NEW pricing

MISS MICHELLE makes an unforgettable first impression with her sleek lines and contemporary styling, exuding sophistication and elegance. Designed for both grand entertaining and intimate gatherings, her breathtakingly spacious layout is meticulously crafted for ultimate comfort. She features a full-beam, on-deck master stateroom, a standout full-beam forward second master stateroom with a king-sized berth, and mirror VIP staterooms aft. Embodying Horizon's dedication to design excellence and bespoke craftsmanship, *MISS MICHELLE* represents the pinnacle of the superyacht experience.

SWIM PLATFORM

- Built-in shower with hot/cold water above swim platform.
- One extractable folding swim ladder.
- S/S handrails on sides of back deck stairs.
- Removable S/S rails around swim platform at stern.
- Two cleats.

GARAGE/BEACH CLUB

- Hydraulic garage door.
- Fits a Williams diesel Jet 445.
- Diesel fuel fill.
- Besenzoni retractable gangway - 6 meters long.
- Seating arrangement w/ wet bar.
- Pull-out sofa bed.
- Hanging locker with lower drawers.
- Fold-out water-level platform w/large window.
- Antico-cali faux teak.
- Hi-lo43" LED TV.
- Scotsman ice maker.
- Subzero refrigerator drawer.
- Wet head.

AFT DECK AND EQUIPMENT

- Teak aft deck.
- Large U settee with custom coffee table.
- 43" LED Fold-up TV.
- Beach club stairway access.
- SUBZERO fridge under stairs.
- Hidden Pop-up Coffee Maker stand.
- Hidden fixed docking station.
- MarQuipt 9-step aluminum side boarding sea stair (incl. FRP storage box) w/ x2 long handrails.
- Electric Sliding Salon Door with IR Sensors
- Port and STBD wind weather doors

BOW DECK

- Teak deck and steps
- Large sunpad with built in headrest and adjustable hardware
- Jacuzzi: Nordic Warrior XL
- Pop-up lighting around jacuzzi
- Settee forward with table w/optional filler cushion
- Sofa on forward bow

FLYBRIDGE AND BOAT DECK

- Helm station with carbon fiber dash board panel.
- Helm station with ZF Mather control, compass, and steering wheel.
- Port & starboard sliding 3 panel windows.
- Corian onyx light up bar top.
- Scotsman ice maker.
- Subzero wine cooler.
- FRP cabinet with hidden manual hi-lo 24" Propane BBQ & extra deck wash faucet.
- Custom two-level bar unit with sink, ice maker, and fridge, 6 stools, w/ footrest.
- Indirect lighting system under bar and seats.
- 43" fold-up LED TV behind bar.
- Stairway from aft deck to flybridge with teak steps and S/S handrail.
- Oversize drains w/ strainers on each corner of flybridge and internal overboard drains, all w/ check valves & vent holes.
- Radar arch w/ antenna bracket.
- Tokai Sanshin LED search lights (x2) on both sides of radar arch.
- Buell triple air horn on top of radar arch.
- S/S flag pole at stern.
- Hydraulic davit 2500lbs (Steelhead).
- Tethered remote plug-in.
- LED warm white light Horizon logo, port and starboard sides.
- Outdoor dining table w/seating for 8.
- Retractable projector screen w/deck pins.
- S/S sliding hatch on flybridge stair opening.
- Removable hand rails around flybridge aft deck.
- Flood lights (x2) illuminating radar arch/mast.
- Flood lights (x2) illuminating flybridge boat deck, flush mounted in hard top.
- Hatch (x1) on hardtop (with a ship loose retractable ladder).

SALON

- Custom ceiling design.
- Thassos white marble flooring.
- L-shape sofa w/coffee table and ottomans.
- Electric blinds.
- Custom ceiling RGBW lighting fixture
- Electric silhouette shades
- Large built in wet bar
- Subzero refrigerator
- Scotsman ice maker
- Subzero wine cooler
- 75" Fold-Up LED TV
- Stemware cabinet in port aft corner.
- Dayhead next to the entrance.

DINING AND BAR

- Custom design formal dining for 10.
- Buffet counter with storage.
- Glassware cabinets to port and stbd.
- 85" Frame TV on fwd bulkhead.
- Electric fold up privacy screen.

GALLEY

- Local made electric sliding door from dining to galley & hallway (x2).
- Stove S/S pot & pane holders.
- Electric cooktop w/exhaust blower.
- Under counter ice maker (x2), refrigerator (x2).
- Under counter wine cooler.
- Dishwasher.
- Hot water tap.
- Garbage disposal.
- Microwave.
- Trash compactor.
- Full height Sub-Zero to 48" side by side fridge.
- Subzero refrigerator/freezer drawers (ID24-R).
- Walk-in storage room
- Full-height pantry w/pull out shelves.
- Access to forward crew.

MASTER STATEROOM MAIN DECK

- King size bed with indirect lighting and storage under.
- Corian onyx light-up headboard.
- Lift-up lighted vanity.
- 50" Frame LED TV
- Custom ceiling tray with vinyl/lacquer/glass finish.
- Electric blinds.
- Large skylight.
- Walk-in closet.
- Safe.
- Hidden pop-up coffee maker stand w/refrigerator.
- Feature wall in shower with rain shower.
- Exhaust blower in head area.
- (2) USB chargers.

MASTER STATEROOM GUEST

- Full beam stateroom fwd.
- French door entryway.
- Large walk-in closet to stbd.
- Portside ensuite with water closet.
- Personal Vitrifrigo refrigerator.
- Sofa seating.
- Lift-Up lighted vanity.
- 50" LED TV.

VIP STATEROOMS (2) AFT

- Mirrored aft VIP staterooms
- Ensuite w/ dual sinks and water closets
- Large hanging lockers
- Lift-up lighted vanities

GUEST FOYER

- Washer/dryer, Miele.
- Bar with Subzero refrigerator drawers and storage.
- Wardrobe hanging locker.
- Built in storage.
- Angora Pearl marble staircase.

CREW QUARTERS

- Located forward.
- Captain's cabin with 43" TV, safe, hanging locker, extra storage under bed
- Port & Stbd bunk rooms with 24" " TVs for each bunk (4 total), hanging lockers
- All crew rooms ensuite
- Full crew mess with seating, full height fridge/freezer, & microwave
- Galley w/two-burner cook top, sink, undercounter refrigerator, and WOLF convection microwave.
- Satin finish on wood walls, vinyl ceiling, vinyl floor.
- Dyson vacuum cleaner.
- Washer/dryer, Miele.

PILOTHOUSE

- Stidd pilot chair (x1, manual).
- Integrated instrument panel on helm station.
- Integrated general alarm and monitoring system for equipment (bilge pumps, blowers, navigation lights).
- International LED navigation lights (incl. anchor, masthead, stern, port side and stbd side lights).
- Magnetic compass at both helms (flybridge and pilothouse).
- Heavy-duty Speich S/S wipers and washer system.
- Standard black mesh for windshield.
- L-shaped leather settee with table.
- Small locker on port side.
- Surveillance camera system (cameras in aft deck and engine room).

NAVIGATION SYSTEM

- (5) 24" Seatronx VSRT Displays
- Full Furuno NAV Package
- Furuno 4' and 6' radar
- Furuno FD-170 AIS
- Furuno FI5001 Wind Transducer
- Simrad Autopilot
- Airmar Ultrasonic Transducer
- Jastram Jog System
- FLIR 364C
- Starlink
- ABT 65hp Bow and Stern Thruster
- Zero-Speed ABT Hydraulic Fin Stabilizer 440/20XLLP
- Dual iCOM VHF

TELEPHONE AND STEREO SYSTEM

- TV antenna on top of radar arch.
- 4G Cellular router system with Wi-Fi.
- Flybridge SONOS Stereo (x1) and FUSION speakers (x4).
- Pilothouse SONOS Stereo (x1) and FUSION speakers (x2).
- Saloon 50" LED TV with Hi/Lo TV system with SONOS Entertainment Set.
- Foredeck SONOS Stereo (x1) and FUSION speakers (x2).
- Aft deck 32" LED TV with SONOS Stereo (x1) and FUSION speakers (x4).
- Master stateroom 40" LED TV with SONOS Entertainment Set.
- VIP stateroom 32" LED TV with SONOS Entertainment Set.
- Guest stateroom 32" LED TV with SONOS Stereo (x1) and FUSION speakers (x2).
- Crew mess 32" LED TV with SONOS Stereo (x1) and FUSION speakers (x2).
- Captain cabin 32" LED TV with SONOS Stereo (x1) and FUSION speakers (x2).
- Crew cabin SONOS Stereo (x1) and FUSION speakers (x2).
- Panasonic PBX Telephones (x6) with intercom features.
- Exterior connector for shore phone and cable TV.

ENGINES AND PROPULSION

- Twin CAT C32B 2400bhp diesel engines with reduction gears.
- Hours: Port 140 / Starboard 140
- Speeds: Cruise 16kts / Max 19.8kts
- Live SAE-C PTO on gear boxes for thruster (x2)/windlass & stabilizer (x2).
- SAE-A PTO on engines for hydraulic steering gear.
- ZF Mathers engine controls with chrome control heads at each station.
- (1) fixed station at aft deck (incl. engine control, engine start/stop buttons, bow & stern thrusters controller, horn button).
- S/S Aquamet HS 22 or equivalent shafts.
- High performance S-Class 5 blade propellers in NiAlBr.
- Main bronze struts w/ backing plates.
- Shafts and rudder packing glands with Tides Marine dripless seals or equivalent.
- Underwater exhaust system for engines w/bypass mufflers.
- Jastram digital electric control as well as emergency manual hydraulic steering system.
- 24" S/S steering wheel.
- ABT hydraulic Bow & Stern 65HP each, and Zero Speed Stabilizer.
- Spare ABT hydraulic cooling pump (ship loose only).

ENGINE ROOM AND EQUIPMENT

- Engine room clean designed with lightweight honeycomb floor.
- Watertight bulkheads forward and aft;
heavy duty watertight engine room door.
- Anti-noise treatment with sound & heat insulation material.
- S/S grab rail on each side of engine.
- Engine room LED ceiling lights.
- Delta T reversible AC blower(s) w/ auto speed & temperature control.
- Delta-T or equivalent engine room demisters.
- Engine load distributed through flexible mountings on S/S engine beds bonded to FRP hull girder.
- Heavy-duty watertight engine room door.
- Air Compressor for air horn.
- Air handler in engine room (18K BTU) w/controller.
- Trident double hump bellows for engine underwater exhaust pipes.
- Fiberglass water/exhaust separators for generators.
- Add LED rope lights under the engines.
- Workbench.

ELECTRICAL SYSTEMS

- Color-coded wiring for easy identification.
- Emergency power package & lighting system.
- AC volt duplex receptacles located throughout including engine room.
- GFI protection for all AC outlets in exterior, heads, galley, and engine room.
- Indirect lighting under valance in saloon, staterooms, pilothouse, and galley.
- Independent 24 volt to 12 volt converters for necessary equipment.
- S/S rudders w/ zinc plates.
- Cathodic protection with zinc anodes for shafts, struts, etc.
- Electrolysis bonding & grounding system.
- Italian Vimar outlets & switches.
- Dimmer system for ceiling lights in flybridge, aft deck, salon, master, VIP, and guest staterooms.
- Motion detection light at guest foyer close to staircase.

AC/DC POWER SYSTEM

- Northern Lights T3R 65kW (60Hz) with sound shield.
- Gen Hours: Port 315 / Strbd 365
- AC electrical system: 208V/120v, 3 phase 4 wires, 60Hz.
- 255Ah starting batteries (x4) for main engines and generators with battery chargers (x2).
- 210Ah AGM batteries (x10) for ship's DC 24V service power with combined inverter/chargers (x3).
- 210Ah emergency batteries (x2) above main deck w/ independent battery charger (x1).
- All batteries enclosed with proper fixtures.
- Ignition protected battery switch.
- Octoplex multiplexing power distribution system.
- Maretron monitoring and control system.

AIR CONDITIONING SYSTEM

- Dometic Marine Air chilled water air conditioning system.
- Air handlers for interior area.
- A back up sea water cooling pump.
- Back up air conditioning circulation pump.
- Honeywell dehumidification system (Honeywell DR65A3000 x5 units, incl., T10 -Pro smart thermostat control panel per unit.)

HULL AND MAIN STRUCTURE

- ABS/DNV type approved fiber/resin & sandwich core material applied.
- White gelcoat finish for hull above water line, exterior decks and furniture.
- One piece hull and superstructure utilizing SCRIMPTM technology with Horizon patented 6D infusion, incl. longitudinal and transverse stingers.
- Hull, deck & superstructure are built with licensed process SCRIMPTM for improved strength and less weight.
- High-density foam cored hull bottom.
- High density Divinycell or equivalent foam cored hull sides, decks, and superstructure.
- Stringers with high density foam coring.
- Interior structural components all properly bonded to hull.
- Strong collision bulkhead structure for extra safety.
- International anti-fouling bottom paint, w/anti-osmosis treatment.
- PropSpeed/PropGold metal paint for underwater appendages.
- Tunnels for reduced draft.
- ABT Zero speed fin stabilizers.
- ABT 65hp bow & stern thrusters.
- High Performance Piercing Bow (HPPB) with S/S protection plates.

MOORING SYSTEM

- Maxwell VWCLP 4500 hydraulic windlasses w/ local foot switches and remote.
- Maxwell electrical rope capstan VC 3500 on FWD deck(x2) and aft deck(x2) w/ rope rollers.
- Chain counters located in pilothouse (x2) and FB (x2).
- 150kg S/S anchors (x2).
- 350ft 14mm x 110m Stud-link anchor chains (x2) w/ chain stopper & tensioner.
- Fresh water & sea water anchor chain washdown system by manual operation.
- Heavy-duty 316 S/S cleats and fairlead w/rollers at forward & aft deck.
- Aft deck hawser (x2).
- Standard lines and Polyform F-7 fenders (x8).

SHORE POWER SYSTEM

- Glendinning shore power Cablemasters (x2)
- 100Amp w/ 75' power cable each.
- Shore power connection w/ 100Amp ISO boost transformers wired as polarization transformers (x2).
- Shore power plugs (x2), 100Amp.

FUEL AND LUBE OIL SYSTEM

- Marine grade fuel tanks in engine room and fiberglass fuel tank under bilge, total oil capacity as specified in Principal Dimension above w/ magnetic sight level gauge in engine room & electric level gauge & alarm.
- Emergency shut-off valve w/ remote control.
- ISO grade fuel hose throughout entire system.
- Electric fuel transfer pumps (x2).
- Triple Racor 79/1000MA fuel filters/water separator, each engine.
- Racor 500 MA fuel filters (x2), each generator.
- Reverso fuel polishing system (NAUAFP 600, 600GPH, 120V).
- Oil change pump system for engines, gears and generators.

FRESH WATER SYSTEMS

- 40 gal water heaters (x3).
- High-volume Headhunter AC fresh water pressure pump and DC pump (x1) for back up.
- Dometic SeaXchange & Spot Zero XZ 1800/2000Z (combo unit) water maker.
- Fresh water outlet & hose for filling engine and generator expansion tanks.
- Fresh water hose bibbs on foredeck, aft deck and boat deck.
- Deck wash-down pump with outlets at chain locker and transom.
- Charcoal filters are plumbed into the fresh water line: shore water inlet and galley.
- Hot water circulation pump.

SANITARY SYSTEM

- 300 gal gray water holding tank with Y-valve and deck fitting for dockside pump out.
- 250 gal sump tank with auto switch pump for each shower & washer drainage area.
- Headhunter toilet system (Tecma for garage/beach club dayhead)
- Headhunter sanitary treatment system
- Electric level indicators for holding tanks and sump tank.

BILGE SYSTEM

- Electric Rule bilge pumps.
- Bilge exhaust ventilation fans.
- Manual bilge pumps (x2) in engine room and forward staterooms.

FIRE AND SAFETY

- Fire insulation in engine room.
- Fire resistant treatment for pipe penetrations.
- Fixed fire extinguisher FM200 or equivalent for engine room with remote control.
- Automatic/manual shutdown system.
- Fire pump (w/outlets & hydrants).
- Portable fire extinguishers (x7).
- Integrated fire alarm system w/ heat and smoke detector.
